Knowledge is power...

Healthy Kids & CaliforniaKids

Update for 2013

Healthy Kids Update

The Healthy Kids Program offers low-cost health coverage for children of different age groups whose families don't qualify for Medi-Cal but meet other eligibility and income requirements.

Starting March 1, 2013, the Healthy Kids program will no longer provide benefits for current members ages 6-18. Members age 0-5 will not see any disruption of benefits. The program will remain open to new members between 0 and 5.

Contact your local Certified Application Assistant (CAA) agency from the attached list or at their website: <http://www.chigla.org/downloads/Contractor%20list%20Eng%2010.11.pdf>.

CaliforniaKids

CaliforniaKids (CalKids) provides preventive, behavioral health, and primary health care benefits to children ages 2-18, however, inpatient/hospitalization services are not covered. CalKids is currently open and accepting new applications.

There is no income limit and immigration status does not matter. Monthly premiums are \$75 per child and co-payments range from \$5 to \$110, depending on the services. For more information or for an application form, go to www.californiakids.org.

We're here to help you...

If you have any questions or require further information, contact RMD at (213) 480-3444 or via e-mail at RevenueManagement@dmh.lacounty.gov.
